R1,151

This all-in-one cable is your complete solution for charging and data syncing. With two USB-C connectors and an Apple Watch charger in a single streamlined design, it reduces clutter and adds versatility. Powered by PD 3.0 technology, it delivers up to 100W (20V/5A) fast charging. The premium braided exterior ensures long-lasting durability for everyday use. Ideal for work, travel, or any time you need reliable multi-device charging without the cable mess.
