

Samsung ML-D3470A toner cartridge 1 pc(s) Original Black

Model: SU665A

Manufacturer: HP INC.

EAN: 8808987244392

Product Code: 1099469

R1,184

Black toner provides excellent value and generates quality print results every time. The ML-D3470A is a high yield toner for small, medium and corporate level printing.

security label

All Samsung supplies carry a color changing security label to prove they are original products. 1. When the label is tilted, the color changes from clear to cyan. 2. The embossed characters change color between red gold and blue when viewed from different angles. 3. Verification of the embossed character is possible by feeling the texture.

genuine quality

Original supplies enable consistent printing without reliability problems. Samsung original supplies guarantee high quality pages without quality defects.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

standardize cartridge

Samsung implements ISO standard. It is a trusted test method for determining the page yield of toner cartridges for mono laser printers. Samsung has tested all current laserjet cartridges in accordance with the ISO/IEC 19752 standard, giving customers more confidence and reliability when basing purchase decisions on toner yields.

easy toner change

Samsung printer cartridges are easy to change by following 3 steps. 1. Open the front cabinet. 2. Change cartridges. 3. Close cabinet.
