Zebra TC58E handheld mobile computer 15.2 cm (6") 1080 x 2160 pixels Touchscreen 282 g Black

Model: TC58BE-3T1J6B1E80-A6

Manufacturer: ZEBRA

Product Code: 1099488

R50,228

Introducing the latest addition to the top-selling TC5 Series, the TC53e, TC53e-RFID and TC58e. These devices take their place alongside the TC53 and TC58, building on their feature set to meet the ever-evolving mobility needs of today’s front line workers. Qualcomm’s latest processor and Secure Element support improve power and security. Support for Wi-Fi 6E and second generation 5G provide the fastest wireless speeds, improving connection reliability and application performance. Short-range UHF RFID opens up a world of new use cases. Constructed with 25 percent post-consumer recycled plastics, this device is the most sustainable TC5 Series device yet. The TC53e/TC53e-RFID/TC58e — everything your workers need to do business better.

The Most Secure TC5 Series Device Yet

A Secure Element provides the best physical security on a mobile device through a dedicated chip that prevents physical hardware attacks and unauthorized access to sensitive data.

More Processing Power

The new Qualcomm® processor delivers nearly twice the power of the prior generation processor, while consuming less power.

Better Multi-tasking

Up to 8 GB RAM and 128 GB Flash, plus support for up to 2TB of onboard storage provides the memory to support virtually any application.

All the Latest Wireless Communications

With 2nd generation 5G, Wi-Fi 6E and Bluetooth 5.3, you’re investing in a device that offers the latest, fastest and most reliable wireless communications.

A Larger, Higher Resolution Display

The 6-inch FHD+ bright edge-to-edge display provides a richer viewing experience and is easy to see indoors and outside. And the touchscreen works when wet and with gloves.

Enhanced Durability

These dustproof, waterproof, drop-proof and tumble-proof devices deliver the reliable performance your workers need to ensure maximum workforce productivity and return on investment.

Crystal Clear Audio

Workers can easily hear every word on every call with comprehensive voice features, including three integrated microphones, two speakers, support for wireless and wired headsets and AI neural network-based noise suppression for superior intelligibility.
