305m Gray**

Model: LCF5-30CU-0305-BK

Manufacturer: LANBERG

EAN: 5901969414356

Product Code: 1101721

R4,285

The Lanberg bulk cable is designed for reliable outdoor networking with its robust construction and compliance with necessary standards. This CAT 5e cable features solid bare copper conductors and a durable PVC jacket, offering performance in various environmental conditions. With a tested frequency of up to 100 MHz and resistance to a wide temperature range from -20°C to 70°C, it is an ideal choice for installations requiring quality. Whether for home or business use, this cable delivers dependable connectivity in outdoor settings.
