

UBIQUITI UVC- G6-Bullet-W Camera IP 4K 30fps PoE IP66

Model: UVC-G6-BULLET-W

Manufacturer: UBIQUITI NETWORKS

EAN: 810084698792

Product Code: 1106042

R5,918

The Ubiquiti UniFi Protect G6 offers performance surveillance with features tailored for both indoor and outdoor environments. This network surveillance camera features digital video capture resolution of 3840 x 2160, ensuring image quality with 8,000,000 pixels delivered by its CMOS sensor. The camera is designed to operate in various weather conditions and is built with a resilient aluminum enclosure, making it weatherproof and durable. Equipped with capabilities such as face recognition, license plate recognition, and detection, this camera provides intelligent insights. Featuring infrared LED technology, the Ubiquiti G6 ensures reliable operation even in low-light conditions, with an infrared distance of up to 30 m. The dynamic range (HDR), coupled with 2D and 3D noise reduction technology, enhances video quality by delivering clear footage in diverse lighting situations. Its flexibility in installation is complemented by different mounting options, including wall, ceiling, and pole mounts. The Ubiquiti UniFi Protect G6 is engineered for efficiency, consuming a maximum of 9.9 watts of power while being compliant with various standards like IC and FCC.
