

LANBERG Open rack 19inch 15U 600x600-1100 adjustable black

Model: OR01-6115-B

Manufacturer: LANBERG

EAN: 5901969446951

Product Code: 1106723

R3,853

The Lanberg open frame rack is designed for functionality and versatility, accommodating various equipment setups. With a height of 15 rack units and a size of 19 inches, it provides space for organizing and securing network and server hardware. Constructed from cold rolled steel with a 2 mm frame and rail thickness, this rack ensures durability while supporting a weight limit of 600 kg. Ideal for various installations, the rack features four vertical mounting rails and comes with necessary accessories including M6 screws, legs, and wheels with brake for mobility. Its free-standing placement allows for flexible positioning in any environment, making it a practical solution for both commercial and residential use. This rack complies with ANSI/EIA-RS-310-D standards, ensuring compatibility with general mounting requirements.
