

Fujitsu S26391-F3357-L100 laptop dock/port replicator Wired Thunderbolt 3 Black

Model: S26391-F3357-L100

Manufacturer: FUJITSU

EAN: 4063872104920

Product Code: 1124278

R2,077

One cable, many capabilities - Connect, save space, and keep your desk tidy. With Thunderbolt™ 3 you can connect almost everything with only one cable and in highspeed. Enhance your USB connection options, connect your displays via Thunderbolt™ 3, HDMI, DisplayPort and charge your device without an additional charger. Thunderbolt™ 3 allows you to connect even highspeed devices in a most convenient way.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
