

LANBERG CA-DPDV-10CU-0010-BK cable Displayport M V1.2->DVI-D M 24+1 1m Black DUAL LINK

Model: CA-DPDV-10CU-0010-BK

Manufacturer: LANBERG

EAN: 5901969416428

Product Code: 1126644

R662

The Lanberg CA-DPDV-10CU-0010-BK is a versatile video adapter cable designed to provide seamless connectivity between devices. With its dual link TMDS technology, it supports high-quality video output at 1080p, ensuring clear and crisp images for viewing experiences. The cable features a shielded design that minimizes interference, maintaining signal integrity for reliable performance. Its plastic housing adds durability, while the inclusion of thumbscrews ensures a secure connection, preventing accidental cable disconnection during use.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
