Dell Pro 22 Adjustable Stand Monitor with Speakers E2226HS

Dell Pro 22 Monitor E2226HS is a highly adjustable business monitor for everyday office and remote work. The 21.5-inch Full HD IPS panel delivers a sharp image, natural colours and wide 178-degree viewing angles.

The 100 Hz refresh rate makes scrolling and on-screen movement smoother. A flicker-free image, integrated Low Blue Light technology and a 3-star TÜV Rheinland Eye Comfort 3.0 rating support comfortable viewing. The anti-glare 3H hard coating reduces distracting reflections from ambient lighting.

Height, tilt, swivel and pivot adjustments make it easier to find an ergonomic working position. Integrated 2 × 2 W speakers reduce the need for separate peripherals, while HDMI, DisplayPort and VGA connectivity allows the monitor to be used with both new and older computers.
