## R1,675

The SnackMaker 5 makes healthy snacking easy. The easily removable plates can be exchanged with a simple click. And to make snacking healthier, the plates feature dual layers of premium non-stick coating, so there’s no need to add extra oil. On top of that, the integrated grease tray drains excess oil as you cook. And after snacking, you can say goodbye to complicated clean-ups. The plates and grease tray are all dishwasher-safe.

## 800 watt

Enjoy 800 watts of power to prepare all your favourite snacks in a snap without long pre-heating time.
