## **R11,078**

The Philips 27B2U6903 is a versatile 27-inch desktop monitor designed to enhance productivity and viewing experience. With a native resolution of 3840 x 2160, this monitor delivers stunning visuals with vibrant colors and exceptional detail. The anti-glare coating allows for comfortable viewing even in bright environments, while the wide horizontal and vertical viewing angles ensure that every seat in the room offers an optimal experience. Additionally, the monitor supports up to 100 watts of USB Power Delivery, making it a choice for charging devices while working. Equipped with built-in devices including a KVM switch, Gigabit Ethernet network adapter, and USB 3.2 Gen 2/USB-C hub, this

monitor is designed for seamless connectivity and efficiency. The various input options such as
