The Iiyama G-MASTER Red Eagle GCB3280QSU-B2 is a 32-inch desktop monitor designed for an immersive viewing experience. Equipped with a WQHD resolution of 2560 x 1440, this monitor provides sharp and detailed visuals, making it ideal for gaming and professional use. With a dynamic contrast ratio of 80000000:1 and an image brightness of 350 cd/m<sup>2</sup>, it delivers vivid colors and great visibility in various lighting conditions. Featuring technologies such as Adaptive-Sync, Motion Blur Reduction, and Flicker-Free technology, it ensures smooth motion in fast-paced environments. The monitor supports a refresh rate of up to 180 Hz, and with a response time of just 0.2 ms, it minimizes lag, allowing gamers to enjoy responsive gameplay. Adjustable tilt, swivel, and height options make it easy to customize the viewing position for comfort, while connectivity options including HDMI, DisplayPort, and USB 3.2 ensure compatibility across a wide range of devices.
