

Cudy PE10 network card Internal Ethernet 1000 Mbit/s

Model: PE10

Manufacturer: CUDY

EAN: 6971690790493

Product Code: 1166063

R698

Ultra-Fast Gigabit Network for All Applications

Experience ultra-fast gigabit speeds for seamless downloads, server hosting, and smooth media editing on NAS. PE10 ensures reliable, high-performance connectivity with auto-negotiation across 10/100/1000 Mbps for demanding tasks.

Standard/Low-Profile Bracket for different chassis

Compatible with different PCI-E slots

Saves Power Automatically

EEE (Energy-Efficient Energy) feature automatically set adapter into a low-power idle state when there is little or no data traffic.

Flow Control

Prevents packet loss and data drops when transmission rates reach 2.5 Gbps, crucial for maintaining reliability in server operations and surveillance systems.

Wake on LAN

Allows user to wake up their PC or server remotely via network with Wake on LAN.

Standard/Low-Profile Bracket

Suitable for standard towered PC, low-profile server, and rack-mounted server installation.
