Take clear, sharp photos using this compact Remote Commander. Mount your camera1 on a tripod or rest it on a stable surface, attach the Remote Commander, and snap away – there's no need to worry about shakes and bumps. Blurry pictures and fuzzy selfies become a thing of the past, and even night-time photos find their focus.

- Use the included cord adjuster for a custom experience
- Compact size makes the Remote Commander easy to take anywhere
- Compatible with multiple Sony camera models
