Slim fit and easy to install

Slim Fit Wall Mount

Made for Samsung TVs, the Slim Fit Wall Mount lets you mount your TV to the wall with almost no gap for a minimalist look that blends seamlessly into any interior.

Almost no gap

With our specially designed Slim Fit Wall Mount, your TV stays extra tight against the wall, leaving only an ultra slim gap between the TV and wall so your interior and viewing experience are both distraction-free.

Blends effortlessly with any interior

Our space-enhancing Slim Fit Wall Mount gives your home a modern minimalist look.

Simple Installation

Its never been easier and quicker to mount your TV on the wall.

Easily rotate and adjust

Once your TV is wall-mounted with The Slim Fit Wall-Mount, its swivel bracket will allow you to easily rotate the angle of your TV up to an additional 10-15 degrees^[1] to make sure your TV is always centered.
