The Canon PG 540L/CL-541XL Photo Value Pack offers a solution for your printing needs. This package includes high yield ink cartridges designed to deliver results with every print. Utilizing Canon's Full-Photolithography Inkjet Nozzle Engineering (FINE), this ink system ensures precise ink application for vibrant colors and sharp details. The set includes both black and color cartridges, each providing a significant duty cycle - 400 pages for black and 300 pages for color - which means less frequent replacements and greater efficiency. In addition to the ink cartridges, this value pack comes with high-quality glossy photo paper measuring 100 x 150 mm, ideal for producing stunning prints. The combination of these consumables allows for image quality, making it suitable for photo enthusiasts and everyday printing needs alike. Experience seamless printing and output with the Canon PG 540L/CL-541XL Photo Value Pack, crafted to enhance your creative projects.
