Model: UPS-RACK-1500

Manufacturer: GEMBIRD

EAN: 8716309074797

Product Code: 1183489

R4,534

The Gembird EnerGenie UPS-RACK-1500 offers reliable power protection for sensitive equipment in a rack-mountable design. With a power capacity of 1500 VA, this uninterruptible power supply ensures that devices remain powered during outages, providing up to 8 minutes of run time at full load. It features Automatic Voltage Regulation (AVR) to stabilize output voltage, which aids in preventing damage to connected devices. The incorporated LCD display allows users to monitor the UPS status and performance metrics. The UPS-RACK-1500 is designed for versatility and ease of use, supporting a variety of connections with three output connectors and a single USB management interface for remote monitoring. Its surge suppression capability protects against electrical surges, while the audible alarm and circuit protection features enhance safety and reliability. Operating in a wide
