

GREENCELL UPS

Power Proof

1000VA 600W

Model: UPS03

Manufacturer: GREEN CELL

EAN: 5902701419639

Product Code: 1183490

R2,451

The Green Cell Micropower 1000VA UPS is designed to provide reliable power protection and ensure the smooth operation of your devices. With a power capacity of 1000 VA and an output waveform of modified sine wave, this UPS safeguards your equipment from unexpected power disturbances. The unit features Automatic Voltage Regulation (AVR) to maintain steady voltage levels, ensuring that sensitive electronics remain protected against fluctuations. Equipped with a 12 V battery system and a transfer time of 2 ms, this external UPS is ideal for homes and small offices requiring consistent power supply. Four output connectors and a single management interface via a 4-pin USB Type-B connector enable ease of use and effective monitoring. Manage your power delivery through the remote management interface for efficiency, while the UPS's ability to support various input voltages makes it versatile for different electrical setups. The dual battery system with a capacity of 7 Ah ensures prolonged operation during a power outage, providing peace of mind for users relying on uninterrupted power for their critical devices.

Product Description: Green Cell Micropower 1000VA - UPS - 600 Watt - 1000 VA | Device Type: UPS - external | Weight: 7.8 kg | Input Voltage: AC 220/230/240 V | Output Voltage: AC 230 V | Power Capacity: 600 Watt / 1000 VA | Input Connectors: 1 | Battery: - 7 Ah | Batteries Qty: 2 | Networking:
