

SYNOLOGY DS425+ Desktop 4-BAY Intel Celeron J4125 2GB DDR4 non-ECC

Model: DS425+

Manufacturer: SYNOLOGY

EAN: 4711174725991

Product Code: 1183506

R14,129

The Synology Disk Station DS425+ offers a storage solution designed for seamless data management and accessibility. With a quad-core Celeron processor and 2 GB of DDR4 RAM, this NAS server ensures efficient performance for a variety of applications. It supports up to 4 drives and accommodates both 2.5" and 3.5" hard drives, allowing for extensive storage options that can reach a maximum capacity of 80 TB. Equipped with networking capabilities, the DS425+ supports both Gigabit Ethernet and 2.5 Gigabit Ethernet interfaces to ensure fast data transfers. Its hot-swap feature enables effortless drive replacements without downtime, making it ideal for businesses that require continuous operation. Furthermore, the system includes extensive data protection features, such as multiple RAID configurations and hybrid backup sync, ensuring that data remains secure and easily recoverable.

Product Description: Synology Disk Station DS425+ - NAS server | Device Type: NAS server | Host
