

HPE IMC WSM Components LSP E-LTU

Model: JG142AAE

Manufacturer: HEWLETT PACKARD ENTERPRISE

EAN: 886111414253

Product Code: 1183508

R175,657

Intelligent Management Center (IMC) Wireless Service Manager (WSM) is a Wireless LAN (WLAN) integrated wired and wireless management system that supports management of all H3C wireless devices. It offers wireless device discovery, service configuration, traffic monitoring, WLAN topology, service reports and rogue detection. By using policy templates to configure devices in batches, it improves efficiency and reduces workload and network maintenance expenses.

Product Description: Intelligent Management Center Wireless Service Manager - licence | Product Type: Licence | Category: Networking applications - monitoring & performance management | Platform: Windows | Distribution Media: Electronic
