

APC Back-UPS BE850G2-GR UPS AC 230V 520Watt 850VA output connectors 8 Black

Model: BE850G2-GR

Manufacturer: APC

EAN: 731304347286

Product Code: 1183583

R3,864

The APC Back-UPS BE850G2-GR is designed to provide reliable power protection and connectivity for your critical electronics. With a power capacity of 850 VA / 520 W, it ensures your devices remain operational during power disturbances, while the stepped approximation to a sinewave output waveform ensures compatibility with a wide range of equipment. This UPS is equipped with 8 output connectors, including versatile USB Type-A and USB-C ports, offering comprehensive connectivity options for all your devices. The inclusion of power and surge protection across multiple connectors safeguards your equipment against voltage spikes.

Featuring extended run times of up to 170 minutes on a 20 W load, the APC Back-UPS BE850G2-GR provides ample time to save work and safely shut down equipment during longer power outages. Its

efficient battery technology maximizes runtime, offering peace of mind during unexpected power disruptions. Additionally, LED indicators and overload protection features offer at-a-glance status updates and safeguard your devices against excessive power loads. With a surge energy rating of 310 Joules, this UPS also provides robust protection against power surges, extending the lifespan of your electronic devices and securing your network connections from voltage fluctuations.

Product Description: APC Back-UPS BE850G2-GR - UPS - 520 Watt - 850 VA | Device Type: UPS - external | Weight: 4.5 kg | Input Voltage: AC 230 V | Output Voltage: AC 230 V | Power Capacity: 520 Watt / 850 VA | Input Connectors: 1 | Output connectors: 6 x power (UPS and surge) 2 x power (surge) 1 x 4 pin USB Type A 2.4 A 1 x 24 pin USB-C | Battery: Lead Acid | Batteries Qty: 1 | Colour: Black | Dimensions (WxDxH): 13 cm x 36.5 cm x 12 cm | Manufacturer Warranty: 2-year warranty (European Union - 3 years)
