Model: VFD 600 APFC FR

Manufacturer: POWER WALKER

EAN: 4260074976212

Product Code: 1183585

R2,324

PowerWalker VFD APFC series is a standby/offline UPS for home and office applications and it is equipped with a technique that allows using the full power of UPS, even when used with APFC power supply load. Usually it is required to oversize a UPS to ensure secure backup when connecting a power supply with active power factor correction. With the implemented technology this is no longer needed. Therefore you can choose smaller cost-effective UPS (e.g. PowerWalker VFD APFC instead of usual offline or line interactive 1000 VA model).

Product Description: PowerWalker VFD 600 APFC FR - UPS - 300 Watt - 600 VA | Device Type: UPS - external | Weight: 2.8 kg | Input Voltage: AC 220/230/240 V | Output Voltage: AC 220/230/240 V $\pm$ 10% | Power Capacity: 300 Watt / 600 VA | Input Connectors: 1 x power CEE 7/7 | Output connectors:
