

Samsung EP-T1510NBEGEU mobile device charger Universal Black AC Fast charging Indoor

Model: EP-T1510NBEGEU

Manufacturer: SAMSUNG

EAN: 8806092709874

Product Code: 1183653

R682

The Samsung EP-T1510 power adapter delivers efficient charging for tablets and cellular phones with a compact and user-friendly design. With a maximum output of 15 W and Power Delivery technology, it ensures quick charging of devices. This charger operates at versatile voltage levels of 5 V and 9 V, making it suitable for various devices and ensuring compatibility with a range of tech necessities.

Equipped with advanced safety features such as temperature protection, short circuit protection, and over-current protection, the EP-T1510 ensures a safe charging experience. The low leakage current further ensures energy efficiency, making it an ideal choice for eco-conscious consumers. The 24 pin USB-C output connector and a single power input connector make this charger reliable
