

HUAWEI Inverter SUN2000-12KTL- M5 2 MPPT 4 Input Solar Inverter

Model: 01076368

Manufacturer: HUAWEI TECHNOLOGIES

Product Code: 1183686

R38,953

Discover the Huawei SUN2000-12KTL-M5, a DC to AC power inverter designed for those who demand efficiency, reliability, and versatility in their UPS and power devices. With an impressive 98.4% efficiency rate, this inverter ensures that energy conversion is carried out with minimal loss, making it an eco-friendly choice for your power needs.

Equipped with a wide array of safety features including anti-islanding protection, overcurrent protection, and more, it provides a secure operation across various conditions. Its advanced connectivity options, including RS-485 and wireless communication, allow for seamless monitoring and management of your power systems. Whether you're dealing with high humidity levels or extreme temperatures, the SUN2000-12KTL-M5 operates reliably, offering a wide voltage output range to meet diverse application requirements. Embrace the future of power conversion with Huawei's expertly engineered inverter.

Product Description: Huawei SUN2000-12KTL-M5 - DC to AC power inverter - 12000 Watt | Device Type: DC to AC power inverter - external | Weight: 21 kg | Input Voltage: DC 370 - 800 V | Output
