The Kingston Canvas Select Plus microSDXC UHS-I memory card delivers performance and reliability for users seeking efficient storage solutions. With a storage capacity of 256 GB, this card is designed to meet the demands of both casual users and professionals. Its robust read rate of 150 MB/s ensures swift file transfers and seamless video playback, making it suitable for capturing high-resolution photos and videos on various devices.

This memory card excels in challenging environments, featuring a waterproof design, X-ray-proof technology, and temperature-proof capabilities. Rated IPX7, it can withstand immersion in water up to 1 meter for 30 minutes, providing peace of mind in unpredictable conditions. The included microSD to SD adapter enhances compatibility with a wide range of devices, ensuring easy access to
