The Sandberg Survivor 7in1 Torch Powerbank 10000 is perfect for camping or a good hike in nature. You will get a wide range of useful features in one device: Powerful LED torch with multiple brightness levels and zoom lens, side lantern with multiple functions and red light option. The built-in rechargeable battery works as a battery for the light, and can also be used as a powerbank to charge a smartphone via the built-in USB connector. Robustly built in an IPx4 certified aluminium design, so you can safely carry it with you in harsh conditions. Additionally, the hardened top of the torch can be used as an emergency hammer.
