

NATEC Charger Ribera Gan 3x USB-C + 1x USB- A 100W PD Black

Model: NUC-2234

Manufacturer: NATEC

EAN: 5901969445497

Product Code: 1184061

R1,153

The Natec Ribera power adapter provides reliable charging solutions with advanced features. This wall charger is equipped with GaN technology that allows for a compact design without compromising power efficiency. With a maximum output of 100 W, it supports a wide voltage range of 5 to 20 V, making it versatile for various devices. Integrating multiple fast charge technologies such as Huawei Fast Charge, Power Delivery 3.0, and Qualcomm Quick Charge 3.0, this adapter ensures quick and convenient charging for compatible devices. The robust safety features including short circuit protection, overheat protection, overvoltage protection, and over-current protection make it a safe choice for your charging needs. With multiple output connectors including USB Type-A and USB-C ports, this charger is ideal for powering multiple devices simultaneously.
