Model: CA-DPDP-10CC-0005-BK

Manufacturer: LANBERG

EAN: 5901969428629

Product Code: 1184205

R568

The Lanberg DisplayPort cable delivers performance for high-resolution displays. With a maximum resolution of 3840 x 2160 at 60Hz, this cable ensures sharp and vibrant visuals for gaming, movies, or professional use. Constructed with pure copper conductors and shielded technology, it minimizes signal loss and interference, allowing for a reliable connection. The cable features gold-plated connectors, which enhance conductivity and resist corrosion, contributing to an extended lifespan.
