

LANBERG HDMI M/M v1.4 cable 0.5m CCS black

Model: CA-HDMI-11CC-0005-BK

Manufacturer: LANBERG

EAN: 5901969421736

Product Code: 1184206

R531

The Lanberg HDMI cable offers a robust solution for high-speed data transfer and exceptional video quality. Designed with dual 19-pin HDMI Type-A connectors, this cable delivers performance for a variety of devices, ensuring seamless connectivity without compromising on audio or video integrity. Enhanced with shielded technology and plastic shielding material, it effectively reduces interference and provides reliable signal transmission.

Supporting a 30 Hz refresh rate, this HDMI cable is ideal for streaming and transmitting content while maintaining clarity. It features technology elements such as Audio Return Channel (ARC) and CEC 2.0 support, making it compatible with many devices. Perfect for those who require a dependable cable that can handle 3D content, the Lanberg HDMI cable with Ethernet stands out for its performance and construction.
