

LANBERG USB-C M/M 2.0 cable 1.8m Quick Charge 4.0 black

Model: CA-CMCM-40CU-0018-BK

Manufacturer: LANBERG

EAN: 5901969429091

Product Code: 1184281

R564

The Lanberg USB-C cable offers performance with technology designed for quick charging and data transfer. It features a rubberized design for durability and a shielded construction that minimizes interference for reliable connectivity. With a rated voltage of 20 V and a current of 3 A, this cable supports USB Power Delivery up to 60 W, making it suitable for powering devices efficiently while ensuring a stable connection. The gold-plated connectors enhance conductivity and longevity, making this cable a practical choice for everyday use.

Perfect for users who need a versatile solution for charging and data transfer, the cable's compatibility with USB / USB 2.0 standards means it can easily connect to a wide range of devices. Benefit from the convenience of Quick Charge 4.0 technology that allows for faster charging times when paired with compatible devices. Experience dependable performance and robust construction of the Lanberg USB-C cable.
