R1,964 ~~R2,227~~

The Targus Work+Play® Flex Backpack is the perfect companion for your active, on-the-go lifestyle. Designed to meet your needs, it features a dedicated 15-16" laptop compartment, a front stash compartment for small accessories, and a secondary adjustable compartment to securely store your gear and lets you configure the compartment to stash your shoes separately – perfect for those day to play moments.

The pack also boasts smart features for added functionality including an adjustable front webbing to hold a jacket or accessories, a hidden XL water bottle pocket to keep you hydrated from morning meetings to evening workouts, and the innovative Multi-Flex™ Strap, which adapts for use as a sternum, trolley, security, or utility strap.

Not just functional, the Work+ Play Flex Backpack supports the planet, too. Made from recycled

materials, it helps save the equivalent of five plastic bottles from landfill.

Keep It Separated

Perfect for the on-the-go lifestyle, the Work+Play Flex bags come equipped with a Adjustable compartment specifically designed to keep your work or sport shoes separated from the rest of your belongings, ensuring your clothes and essentials stay clean. Whether you're heading to the office or the gym, this thoughtful design keeps you organized and ready for anything.

Versatile Multi-Flex™ Strap

Transform your travel experience with our Multi-Flex™ Strap with magnetic closure that effortlessly adapts to your needs. Use it as a sternum strap for backpack stability, a trolley belt for easy luggage attachment, a security strap to deter theft, or a utility strap to secure bulky items in expandable side pockets. Perfect for both adventurers and commuters, this strap offers convenience and peace of mind no matter where your journey leads.

Versatile Multi-Flex™ Strap

This bag was designed with the environment in mind. By using GRS-certified recycled materials, 5 plastic bottles were kept out of our waterways and landfills, shredded into small flakes, re-polymerized into plastic chips, and heated and spun into yarn stitched and sewn into the interior fabric of this EcoSmart® bag.
