Manufacturer: DICOTA

EAN: 7640239423138

Product Code: 1184667

R2,733

The DICOTA Top Traveller is designed for those who need a reliable and functional notebook carrying case. Crafted from durable 900D polyester, this product showcases sustainability as it is made from recycled plastic bottles. Featuring a range of carrying options, including an adjustable padded shoulder strap, top carry handle, and trolley strap, it ensures comfortable transportation for all users. The high-density foam padding and EVA corner padding provide added protection for devices, while the various compartments, including a lockable notebook compartment for a 16-inch laptop, keep essentials organized and secure.

With thoughtful features such as RFID protection, accessory pockets, and a tracker pocket, this case is perfect for those who value security and organization on the go. The double zipper closure enhances functionality and ease of access. Whether for work or travel, the DICOTA Top Traveller notebook carrying case stands out with its blend of style, practicality, and eco-friendliness, making it a suitable choice for any professional.
