

LANBERG CA- USBA-15CU- 0018-BK cable USB 2.0 AM-BM with ferrite 1.8m black

Model: CA-USBA-15CU-0018-BK

Manufacturer: LANBERG

EAN: 5901969429893

Product Code: 1185174

R563

The Lanberg USB cable CA-USBA-15CU-0018-BK provides reliable connectivity for various devices. Designed with shielded technology, it minimizes signal interference, ensuring efficient data transmission. With a maximum transfer rate of up to 480 Mbps, this cable is suitable for tasks that require swift data movement, while gold-plated connectors enhance connectivity quality and longevity.

Constructed with copper conductors, the cable offers consistent performance over time. It features a ferrite core to reduce electromagnetic interference, making it suitable for both home and office environments. Additionally, the cable's compliance with multiple standards ensures that it meets stringent environmental safety requirements, promoting responsible use and recycling.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
