

LANBERG HDMI M/M v2.0 cable 1m CU black box premium certificate

Model: CA-HDMI-P20CU-0010-BK

Manufacturer: LANBERG

EAN: 5901969422429

Product Code: 1185307

R634

Lanberg premium HDMI cables boast both excellent performance, as well as high-grade material and components like triple-shielded connectors and wiring. Those combined features ensure the high level of anti-interference protection, which along with the increase of signal frequency/video resolution to 4K Ultra HD, is the main problem impacting wireless devices in cinemas, server rooms, or commercial audio video installations.
