A single solution for all your hair, beard and body trimming needs

Discover a single solution for all your trimming needs, with the Rowenta Multi-Trimmer. This convenient and

highly efficient men's trimmer features a titanium-coated moving blade and self-sharpening technology, for

high-performance cutting day after day. Achieve customized styling on both your hair and beard—whatever the style—with a perfect cut in a single go. A specially designed body shaver for trimming and shaving body hair under the shower rounds things off, completing this convenient grooming solution. The long-lasting NiMH battery offers a full trimming session, while the easy-to-clean, compact design effortlessly stores away in the included vanity case.
