Manufacturer: NATEC

EAN: 5901969402629

Product Code: 1186240

R864

The Natec MUSTELA bag is designed for people, who besides a space for laptop also need a place to carry documents and personal belongings. The main compartment not only can fit a laptop, but has also been equipped with two smaller pockets perfectly suited for mouse and power pack. Additional space for documents or needful things is to be found in zipped compartments on front and back of the bag. A practical organizer will help keeping the front pocket organized, while the back pocket is perfect for carrying documents.

MUSTELA is made of very durable material. The shoulder strap with solid metal buckles has a shoulder pad, which makes the bag comfortable to wear even for a long time. It's also possible to carry this bag in hand by joining handles.
