The Natec BOXER LITE notebook carrying case is designed for functionality and comfort. With two compartments and additional pockets, it provides ample space for documents and accessories. The case accommodates notebooks up to 15.6 inches, making it an ideal choice for students and professionals alike. Featuring a removable and adjustable shoulder strap along with a reinforced handle, this carrying case offers versatile transportation options. The anti-shock system and rigid frame ensure that your device is protected, while the soft grip enhances comfort during use. Crafted from durable 600D polyester, the BOXER LITE is built to withstand daily wear, providing reliable protection for your equipment.
