R1,560

The PIXMINDS Lexip x Tsume NARUTO SHIPPUDEN SASUKE Revenge gamepad offers an immersive gaming experience. Equipped with dual vibration motors, this gamepad ensures every action feels responsive, heightening the excitement in gameplay. Its ergonomic design caters to long gaming sessions, while the wireless connectivity at 2.4 GHz allows for flexibility and freedom of movement without the hassles of cables.

With a powerful 600 mAh lithium-ion rechargeable battery, this gamepad allows extended playtime between charges, making it ideal for both casual and intense gaming enthusiasts. Featuring 4 action buttons, 4 programmable buttons, and 2 joysticks, it provides customizable controls for various gaming styles. The included headset port enables seamless communication, ensuring players stay connected with teammates while enjoying their favorite games on PC.
