Model: 75X28AA

Manufacturer: HP INC.

EAN: 197029365972

Product Code: 1186927

R2,154

The Cloud Stinger 2 keeps the fundamentals of the Cloud Stinger and refines it. The Cloud Stinger 2 is lightweight, but also still packs a hefty audio punch. Get a wide frequency response so you will not miss important audio cues that give your opponents away. It also does not skimp on comfort, with soft memory foam and premium leatherette designed for all-day gaming. Gamers will appreciate HyperX's passion for its craft, which shows up in quality-of-life features like rotating earcups that make it easy to take a break, or the swivel-to-mute microphone that makes muting your mic simple and obvious. Its swivel-to-mute mic and volume controls are located on the headset, grouping all your most important audio functions right on your head for easy access. The passively noise-canceling microphone is flexible, so you can precisely position it to give you clear communication with your team.
