

POWERWALKER VI 1000 R1U UPS Line-Interactive 1000VA 4x IEC OUT USB HID/RS-232 Rack 19

Model: VI 1000 R1U

Manufacturer: POWER WALKER

EAN: 4260074980400

Product Code: 1186933

R7,657

PowerWalker VI R1U Series offers slim design, which is unique on the market. It occupies only 1U of rack cabinet, but what is more, it can be fitted into places never before available for UPSs. It could even fit under your TV table to protect your home theater. Considering the fact that fan is completely switched off in normal operation and LCD dims automatically, neither noise nor LCD shine will disturb your experience. With pure sine wave output in battery mode it delivers high quality voltage for the equipment. HID support for USB port will allow communication with NAS without further compatibility issues.
