The CORSAIR Gaming HS35 v3 headset is designed for players seeking straightforward, dependable audio and clear communication across consoles, PCs, and portable devices. Full-size ear cups and a 50 mm neodymium driver deliver immersive stereo sound for game audio and voice, while the boom omnidirectional microphone captures clear chat for team play. A 3.5 mm wired connection and a 1.8 m cable provide broad compatibility and reliable Plug-and-Play use, and integrated volume and microphone mute controls let users adjust audio quickly during sessions.
