

DIGITUS Wireless HDMI Extender/Splitter Set 1x4 100 m Full HD

Model: DS-55346

Manufacturer: ASSMANN ELECTRONIC

EAN: 4016032496618

Product Code: 1187050

R3,180

The DIGITUS HDMI Extender / Splitter Set offers an effective solution for transmitting high-definition video and audio signals. With a maximum supported video resolution of 1080p and a V-Sync rate of 60 Hz, this kit ensures smooth and clear delivery of content. Its wireless capabilities allow for convenient connectivity without the clutter of cables, and it supports Full HD (1920 x 1080) streaming video. Designed to be wall-mountable, the unit can seamlessly blend into various environments, making it suitable for both home and professional use. The IR cable, with a length of 1.2 m, facilitates easy control from different locations, enhancing user experience.
