

Canon i-SENSYS MF465dw II Laser A4 1200 x 1200 DPI 40 ppm Wi-Fi

Model: 7188C007

Manufacturer: CANON

EAN: 4549292248760

Product Code: 1188829

R10,620

The Canon i-SENSYS MF465dw II is a compact black & white laser printer designed for high-productivity offices. It offers fast duplex printing up to 40 ppm, faxing, and high-speed scanning up to 100 ipm for professional output. Advanced security provides 360° data protection, while a 5-inch touchscreen ensures easy use. With quick setup, smart scanning, workflow automation, QR code support, and eco-conscious design, it delivers reliable, efficient, and sustainable performance.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
