The Kingston Canvas Select Plus microSDXC UHS-I memory card is designed to provide reliable storage with a capacity of 128 GB. With read rates reaching up to 150 MB/s, this memory card ensures quick access and efficient data transfer for a wide range of applications. It features advanced reliability through IPX7 waterproofing, making it suitable for use in various environments, even in wet conditions.

In addition to its waterproof design, the Kingston Canvas Select Plus also includes a write protection switch to prevent accidental data loss. Its compatibility with a microSDXC to SD adapter allows for easy use across multiple devices. Operating effectively in temperatures ranging from -25°C to 85°C, this memory card is versatile enough to meet the demands of both everyday users and professionals
