produces extra-small paper shreds measuring 2x12 mm and creates a higher collection volume in the basket

10 sheets at a time

Paper shredder with excellent cutting performance: the paper shredder shreds up to 10 sheets of paper (80 gsm) or 11 sheets of paper (70 gsm) in one cutting process

Secure disposal of plastic cards

Shredder for documents and more: plastic cards with magnetic strips, EC cards or credit cards can also be shredded quickly and securely via the paper feed

Quiet motor

Whether it be paper, plastic or staples - the shredder performs its shredding work especially quietly, creating an unobtrusive noise background for everywhere from large offices to home offices

Removable basket

Document disposal made easy: the collection bin in the paper shredder can be easily pulled out for the clean and convenient disposal of paper shreds

Up to 15 min continuous operation

For many documents: without annoying interruptions, the shredder works in continuous operation for max. 15 minutes at a time, perfect for shredding large quantities of paper

Overheating protection

Safe from premature damage: to prevent defects in the device, the document shredder with overheating protection switches off automatically and cools down in time

Staple-safe

Shred documents easily: thanks to the staple-proof quality steel blade shafts, the document shredder also shreds stapled files effortlessly
