

ACT Line Interactive UPS 1000VA - 600W with AVR, LCD display

Model: AC2310

Manufacturer: ACT

EAN: 8716065489927

Product Code: 1219295

R3,698

Protect your computer and valuable files at home or at the office against power failures and surges with the AC2310 Line Interactive UPS 1000VA - 600W with AVR. The UPS is equipped with 2x IEC C13 output, 2x EU socket type F, 1x USB and 1x RS232. The UPS notifies you with a sound alarm and notification on the LCD screen during a power failure. It provides you with approximately 50 extra minutes @ 120W load to save your files. It comes with software that shuts down your computer safely. The AC2310 has surge, short circuit, discharge, overcharge and overload protection.

Backup power of approx. 50 minutes @ 120W load

The AC2310 Line Interactive UPS 1000VA has two IEC C13 outputs, two EU socket type F female, one USB port and one RS232 connection to protect your computer and valuable files against power failures and surges. The built-in battery of the Line Interactive UPS allows you to save your files

within approximately 50 minutes @ 120W load.

Notification during power failure

The UPS notifies you with a sound alarm and a notification on the LCD display during a power failure. The UPS also notifies you when the built-in battery is running out of power. The built-in status LCD shows you the battery status.

Including PC software

The AC2310 comes with PC software. This software enables you to monitor the status of the UPS. Furthermore, the software makes sure that your computer automatically will shut down during a power failure.

AVR function for a stable output voltage

The AC2310 has an Automatic Voltage Regulation function. This AVR function corrects the incoming voltage fluctuations and ensures a stable output power. Besides, the UPS has surge, short circuit, discharge, overcharge and overload protection.
