FHD Resolution

A 100” image of pure beauty in 1080p Full HD looks so real, you’ll swear you’re looking out the window.

2,000 LED Lumens

Brighten up your home theater with 2,000 LED lumens of vibrant, crisp brightness. Perfect for larger rooms, it delivers clear, detailed projections even in well-lit environments.

Smart Projector

With a smart projector, enjoy your favorite media from a host of streaming and audio platforms such as YouTube, Netflix, and more.

Compact & Portable Form Factor

Share ideas wherever you go with this compact, ultra-portable projector. Discuss concepts, play videos and motivate others while you’re on the road.

Autofocus

Get instantly clear pictures in a blink. Save the time of setup and adjusting focus rings to quickly get clear images with the auto focus function.

Desktop Projection

Unlock endless creativity by transforming any tabletop into a vibrant display. Simply position the projector upright for photo sharing, storytelling, and interactive games.

Interactive Touch Controls

Experience a new era of touch control with an interactive module. Navigate and engage with your content directly on the screen, enhancing both entertainment and work efficiency.
