casual daytime viewing, the BenQ TH575i delivers vibrant, immersive visuals that bring people together, making every shared moment come alive.

Picture Modes for Ultimate Immersion

Officially Licensed Google TV. Stream What You Love, with Ease

The included Google TV dongle is optimised for BenQ projectors, delivering smooth navigation and fast loading. With the officially licensed Google TV system, the TH575i gives you access to Netflix, YouTube, and Disney+ with ease.

16.7ms Low Input Lag, Stay Ahead in the Game

The ultra-fast 16.7ms low input lag (1080p/60Hz) translates your reflexes into instant on-screen action. Enjoy gameplay that's smooth, responsive, and always one step ahead.

Effortless Setup in Your Living Room

Auto Vertical Keystone. Perfectly Aligned.

Auto vertical keystone self-adjusts for squared images, letting you easily project aligned images from various angles.

1.1x Optical Zoom, Easy 120" Fun

The 1.1x zoom and flexible throw distances allow you to enjoy a 120" big screen without the hassle of a complicated setup, making it perfect for any room size.

Universal Connectivity for All Your Devices

From gaming consoles and laptops to streaming devices, our universal connectivity through HDMI ensures everything connects without a struggle.

BenQ AR Projector Planner

Wondering whether the TH575i is the right projector for your space? Visualise screen size, distance, and placement right in your room.
