

DRONE ACC FLIGHT BATTERY/LITO X1 CP.MA.00000977 DJI

Model: CP.MA.00000977

Manufacturer: DJI

EAN: 6937224142770

Product Code: 1219813

R2,108

Provides a max flight time of 36 minutes, giving you ample time to find the ideal angle, refine your composition, and bring back everything you need in a single takeoff.

8Measured in a controlled wind tunnel environment under conditions equivalent to windless operation and sea-level altitude, with the aircraft flying forward at a constant speed of 21.6 kph, Obstacle Avoidance Action set to Brake, and the camera set to record at 1080p/24fps (but no active video recording), until a forced landing due to battery depletion. Actual experience may vary depending on the environment, usage, and firmware version.
