

CyberPower UT1050E-FR uninterruptible power supply (UPS) Line- Interactive 1.05 kVA 630 W 3 AC outlet(s)

Model: UT1050E-FR

Manufacturer: CYBERPOWER

EAN: 4712856272017

Product Code: 1220977

R5,912

CyberPower UT1050E-FR provides home and office users with a reliable battery backup and safeguards office PCs, network communication equipment, and other electronic devices from surges, spikes, brownouts and other power incidents.

The product is generator-compatible, which allows users flexible application scenario planning for power outages. The built-in Automatic Voltage Regulation (AVR) stabilizes the AC signal to deliver power at safe voltage levels for all connected equipment without resorting to battery power.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
